

## Analysis the data

WeRateDogs has over 6000+ tweets. I was able to analyze around 1500+ tweets. The most rated dog was golden retriever with more than 140 ratings. Like we can see in the below graph. The most liked type of dog is golden retriever and the last one miniature pinscher

Amazingly many tweets have been retweeted more than 1000 times some more than even 50000 times. There is not a clear relationship between the ratings and the retweets.

We can see in the below fig. is not the highest rating dogs do not receive the most retweets. Due to some people give the dogs over rating much higher than 10 that why the highest don't get the most retweets

As we can see below the type of rating belong specially to this account we rates dog, most rating is pupper and as shown below sometimes is the dog rating we two types (doggo,pupper)(doggo,puppo)

	doggo	floofer	pupper	puppo	count
0					1978
1				puppo	29
2			pupper		245
3		floofer			9
4	doggo				83
5	doggo			puppo	1
6	doggo		pupper		12
7	doggo	floofer			1

And here as shown once more the most popular category is pupper
